Permit-Use Instructions

- Display permit visibly, face-up on dash
- Park only in assigned lot(s)
- Park within a striped parking stall
- NOT VALID in a metered space
- NOT VALID in a signed space (signed spaces are reserved)

Permit-Use Agreement

1. Acceptance and use of permit constitutes acknowledgement that permit holder has read and agrees to the provisions below.
2. Permit holder agrees to park according to the Permit-Use Instructions above.
3. Permit holder is authorized to print and use a single permit.
4. Permit cannot be altered. Any altered or illegible feature makes this permit void.
5. Permit is registered to a specific customer. It is not transferable.
6. Possession/display of permit does not guarantee availability of a parking space but grants access to assigned UW-Stout parking lots when a space is available.
7. Overnight parking is not authorized by this permit without the express approval of Parking Services.
8. Permit holder accepts responsibility for a citation issued for noncompliance with this Permit-Use Agreement.
9. Permit holder will contact Parking Services before parking to resolve any issues that would invalidate this permit or result in the permit not meeting the customer's needs.
10. Motorcycle/moped drivers must contact Parking Services for parking needs.
